Dear Ms. Cho,

On behalf of the IAFOR local organizing committee and the EBMC 2015 conference chair, Professor Stuart D. B. Picken, I am pleased to inform you that your proposal, "Integration of Network Data Envelopment Analysis and Dematel for the Performance Evaluation of Taiwan Bank Industry", has met the accepted international academic standard of blind peer review, and has been accepted for Poster Presentation at EBMC 2015. You also have the opportunity for your full paper to be published in the official conference proceedings.

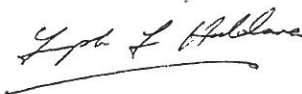

The conference will be held in Brighton, United Kingdom, at The Thistle Brighton from the evening of Thursday, July 9th through Sunday, July 12th, 2015. The keynote and plenary session will be on Friday morning and parallel panel sessions begin Friday afternoon and run for the duration of the conference. Most panels run for 90 minutes, with three presenters per panel, so each presenter has 30 minutes total for presentation and Q&A. For more detailed information about the conference and accommodation, please visit the conference website.

If you cannot present for any reason, please notify the conference administration team at ebmc@iafor.org. If there is a day that you are unable to present, please contact the administration team at the time of registration. Not everyone can be accommodated with preferential dates and time, so please limit any request of this nature to unavoidable situations.

A PDF of the full Conference Programme will be uploaded on the EBMC 2015 website by Thursday, June 18th. Please check the programme at that time to make sure all information pertaining to you is included and correct.

Thank you for participating in The Second European Business and Management Conference 2015. All of us affiliated with the organization aim to make this conference a success.

Yours Sincerely,
